Run Like an Egyptian

Part II

Theme

We continue with part two of our amazing Egyptian adventure.

The children will enjoy learning about the processes of mummification. They will explore hieroglyphics and learn to write as the Ancient Egyptians did.

As we approach Easter, we will study the Christian beliefs surrounding the festival with a particular focus on Maundy Thursday.

Science

Animals and Humans

The budding, young Scientists will learn the differences between animals and humans. We will be looking at skeletons, food and diet.

Egyptian Day- Friday 15th March

Home Learning

Children were given Homework Bingo sheets to complete last term. We will be having a Homework Exhibition at the end of term. If you need a copy, please just ask.

Attendance

We take attendance very seriously at St Paul's. Please ensure your child is in school **EVERY** day and on time.

Maths

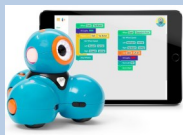

In Maths, we will continue to develop skills using +, -, x and ÷. We will be learning about time- telling the time to the nearest 5 minutes and minute and solving problems involving time.

The children will also be learning about fractions, understanding tenths and hundredths as well as finding fractions of amounts.

Computing

This term we are looking at a different aspect of coding and learning to use dash and dot robots. The children will get the opportunity to code programmes and game for the robots to complete.
