

English

Year 2 will be using books as a stimulus for story and letter writing. We will be using resources such as dictionaries and word banks to help edit and improve our writing.

Year 2

Term 6 Curriculum Newsletter

OMNIA AD DEI GLORIAM

Theme

RE: We will be learning about features of the Church and its importance to Christians and the community. Respect for other people, their special places and things will also be discussed.

Music: We will be listening to, discussing and appraising a range of music.

DT: We will be designing, making and evaluating healthy ice lollies.

PE: We will be practising our athletic skills, including sports day events.

History: We will be learning about famous people. Charles Darwin will be the main person studied.

Science

We will be observing variation; similarities and differences in plants and animals. Our trip to Great Dixter links closely with the Science topics as does our work in ICT and Art.

Home Learning

Attendance

We take attendance very seriously at St Paul's. Please ensure your child is in school EVERY day and on time. Thank you.

Maths

Year 2 will be focussing on collecting and recording data in tables and block graphs. We will be telling the time, finding fractions of numbers and investigating patterns and direction. We will also be looking at measurement, mastery of the four operations, position and direction.

Computing

We will be photographers. The children will learn how to take pictures using digital cameras and tablets. They will then download and manipulate those images using picture tools.

General Information

Staff: Miss King, Mrs. O'Donnell, Mrs. Hodgson, Miss Jacobs.

Important Dates:

25th June 9:15-11:15am Sports Day KS1

2nd July 2HJ and half of 2HO/NH- Great Dixter Trip

3rd July 2MK and half of 2HO/NH- Great Dixter Trip
