All about me

Theme

R.E.

We will be learning about God and creation and will celebrate Harvest as a whole school.

Art

We will be using sketching techniques to create a portrait of ourselves inspired by the artist Picasso.

D.T.

We will discuss healthy eating and food hygiene as well as making a fruit kebab.

Geography

We will be learning about Hastings and the local area around our school.

Science

This term, children will be learning about animals, including humans. They will name human body parts and senses, and compare these with those of common animals.

Home Learning

Key words will be sent home for the children to learn and practise reading.

Reading Record book:

It is important that the children read for a short time every day.

Attendance

We take attendance very seriously at St Paul's. Please ensure your child is in school EVERY day and on time. Thank you.

Maths

The children will be learning to read, write and identify numerals 0 - 10. They will begin to develop understanding of addition and subtraction, including finding number facts to 10. The children will be working in a variety of ways and learning to apply their knowledge to a range of tasks both through written and practical learning.

Computing

This term, children will learn to use the web safely to find ideas for an illustration. They will select and use appropriate painting tools to create and change images on the computer. Children will learn how this use of ICT differs from using paint and paper to create an illustration.
