## GDPR privacy notice for pupils and their families

Schools are currently required to inform pupils and their families about how their personal data may be collected and used. This requirement will remain once the GDPR comes into effect on 25 May 2018; however, schools will be required to revise their privacy notices to include further information on processing individuals' personal data, in order to be compliant with the GDPR. Schools can use this template privacy notice to ensure they are compliant with the GDPR and communicate how they process personal data relating to pupils and their families.

### Who processes your information?

Bevendean Primary School is the data controller of the personal information you provide to us. This means the school determines the purposes for which, and the manner in which, any personal data relating to pupils and their families is to be processed. James England acts as a representative for the school with regard to its data controller responsibilities; they can be contacted on [dpo@dataprotection.education](mailto:dpo@dataprotection.education).

In some cases, your data will be outsourced to a third party processor; however, this will only be done with your consent, unless the law requires the school to share your data. Where the school outsources data to a third-party processor, the same data protection standards that Bevendean Primary School upholds are imposed on the processor.

James England is the data protection officer at Bevendean Primary School. Their role is to oversee and monitor the school's data protection procedures, and to ensure they are compliant with the GDPR. The data protection officer can be contacted on [dpo@dataprotection.education](mailto:dpo@dataprotection.education).
