

May Newsletter from Cromford Church of England Primary School

SATS week

Our Year 6 pupils worked really hard during their SATs week (and in the weeks before!). Thanks to everyone who supported them in so many ways

Our Year 2 pupils have also taken their SATs Assessments and showed a lovely approach towards their work.

Bingo Night - Friday, 18th May

Our thanks to the PTA for organising another bingo night. A good time was had by all who attended and £174.63 was raised for school.

Tuck Shop

Reminder - the Friday Tuck Shop is 40p per week. This is for a cake and crisps.

Summer Fair - Saturday, 16th June

We are looking forward to this annual event. The BBC will be filming around school during the fair as part of a documentary for BBC 4. If you do not want your children filmed, please be mindful of where the cameras are.

Sun cream

During the (hopefully) sunny weather this term, please ensure your child has sun cream on. Whilst we do have sun cream dispensers available in school, this should be regarded as a 'top up' rather than their only application of sun cream each day. Please also send your child with a sun hat/cap too.

Uniform Policy

At a recent Governors meeting we agreed to a minor update on our uniform policy. Currently many children are wearing a wide variety of clothing for PE - some of which is really not suitable. From September 2018, we are asking children to wear a white t-shirt and dark leggings/joggers/shorts. Thank you in anticipation of your support.

Remember to look at our school website - www.cromfordcofeschool.com

The school is now on Twitter, @CromfordPrimary - please follow us.

School lunches - 2.00 per day, £10.00 per week,

If your child is ill please telephone the school before 10.00 am on the first day of absence.

Learn, aspire and achieve in a caring Christian environment

Piano lessons

Rachel Bowers who comes into school to teach piano on an individual basis has a free slot on Wednesday morning. Please let Class teachers know if your child is interested in lessons.

A new app has been launched to provide advice and support to parents, carers and healthcare professionals looking after children with the most common childhood illnesses.

The HANDi app has been developed by paediatric consultants and will give you access to home care plans, as well as GP and hospital clinical guidelines, to help you provide the best support for your child and give you confidence in caring for them when they are unwell. The app describes care plans and guidance for the most common childhood health concerns, including:

- Abdominal pain
- Chestiness
- Diarrhoea and vomiting
- High Temperature
- Problems during the newborn period
