OFFLINE/PRACTICAL LEARNING:

- Choose 5 Common Exception words and practise spelling them using telephone words. Use a mobile phone keypad to find which number each letter is on, e.g. spelling = 77355464

Weekly Writing Tasks (Aim to do 1 per day)

ONLINE LEARNING: **Purple Mash/2Do: Owls - Circus News**

- A Cloudy Lesson – [Watch the video](#) Writing focus [Activity booklet](#)
- Write an email to a family member telling them all about how your week has been.

OFFLINE/PRACTICAL LEARNING:

- Design an information leaflet about an animal of their choice. Remember to use headings and subheadings.
- Write a description of a fictional animal that has just been discovered. Think about what it looks like, where it lives and what it eats. Draw a picture to show what this new creature is like.
- Write a set of instructions for how to look after a pet. Remember to include what you need and what you do.

The project this week aims to provide opportunities for your child to learn more about key animals they are interested in. Learning may focus on exploring the physical aspects of an animal, their habitat, categorising animals etc.

- **Let's Wonder:**

Create fact files about deadly predators. Draw pictures of the predators and label them with information they find out. Where does the predator live? Why does it live there? What does it eat? How does it capture its prey? What special qualities do these predators have? Make a [food chain](#) to demonstrate why a predator is at the top of the chain. They could make a set of [top trump cards](#) using the information they found out.

- **Let's Create:**

Explore the artist [Franz Marc](#). Find out who he was and what type of artist he was. What did he like to create pictures? Look at some of his paintings online. Then choose an animal to draw and add colour to, in a similar style to his. What do they think of his paintings? Did they like their finished piece of artwork? Why?/Why not?

- **Be Active:**

Get out into the garden and make a [bug hotel](#). Go on a mini beast hunt and record what you find. If you find any minibeasts that you haven't seen before, look them up online. What can you find out about these amazing creatures?

Recommendation at least 2 hours of exercise a week.

- **Time to Talk:**

Find out which animals are their family members' favourites and why. Have a family debate about whether zoos should exist? Discuss whether they agree/disagree and why? Do their family members have a different opinion to them? Why not debate whether animals should be kept as pets?

- **Understanding Others and Appreciating Differences:**

Which animals are considered to be sacred around the world and why? [Sacred Animals](#) Who admires cows? Lions? Wolves? Which animals were important to the Egyptians and why?
