Dear Parents and Carers,

School Meals during the School closure Period

I am writing to inform you of the provision of free school meals during the school closure period.

Free School Meals will be provided to those children entitled to but who are not able to attend school. This will be in the form of a packed lunch and will be available for collection from school between 11:00 – 11:30 each morning. The side gate (used for breakfast club) will be open during these times for you to collect your child's lunch.

Please keep an eye on our Facebook page for any updates/changes.

Yours sincerely

Sara El-Janbey
Headteacher
