

Dear Parents, Guardians and Friends of Trenode,

Despite the horrendous downpour at the end of the afternoon, the trip to Kilminorth Woods was a successful exploration of our local area. The children enjoyed making natural pictures and mini-shelters, did some bird watching, and were introduced to geocaching by Mrs Gordon. This is a really enjoyable activity that you can do with your children when you are out and about; the children were really motivated by finding the geocache locations!

The teachers and children have been very busy this week making headway with their learning in the new topics. Cardinham have been analysing and discussing newspaper reports from the Second World War. I can hear them practising reciting their text maps as I am writing! Kilminorth have been learning about the five senses, and have started to write biographies of their superheroes. Thank you to those parents who attended the information meetings: if you were unable to come, please look at the information the teachers have provided about your child's learning this term. If you have any questions, please do not hesitate to come in and ask!

Best Wishes, Sarah Hawker

Trenode Treasures

For various reasons, Treasures will be starting again after half-term. I have heard that some parents are unable to come on a Wednesday. Please let myself or Mrs Pickett know which day and time would be preferable. We would prefer afternoons, Monday, Tuesday, Wednesday, & Thursday are possible. This is because the staff room can be used at these times.

Message from Mrs Wilmott at St Wenna's Church:

All school families are warmly invited to the informal lay led Family Service at St Wenna's at 11am on the second Sunday of every month (apart from November, when we have our Remembrance Service, which can also involve families.)
