

Dear Parents and Guardians,

I hope you all had an enjoyable half-term!

The children have been making good progress with their learning this week. Cardinham have been improving their descriptive writing, and Kilminorth have been continuing with their newspaper reports. The Year 2 children have been particularly busy learning to solve balance equations, and to add more than two numbers.

Cardinham had a visit from my son, George, today, who is studying for a Ph.D in Astronomy and Astro-physics at Cambridge University. He explained some of the work he is doing, looking for life on planets outside our solar system! He has also helped the children to develop a greater understanding of the distances between the planets—see the photograph below!

Best wishes, Sarah Hawker

NEWS

World Book Day

To celebrate World Book Day, on Thursday March 1st, please come to school dressed as your favourite book character!

Attendance

Kilminorth : 85.3% Cardinham: 95.8%

As I'm sure you know, pupils need to attend school regularly to benefit from their education. Missing out on lessons leaves children vulnerable to falling behind. Children with poor attendance tend to achieve less in both primary and secondary school. Thank you, parents for supporting us with this.

Cardinham Class residential Trip

A booking has been made for a residential visit to Carnyorth Outdoor Education Centre, on 18th-20th June. More details to follow next week.

Parents Evenings

Parents evenings will be taking place for both classes on Tuesday 6th and Thursday 8th March, 3.30-5.20pm. Please complete the letter that has gone home today, email secretary@trenode.cornwall.sch.uk or phone to make an appointment.

Our solar system is enormous!
