Under data protection law, individuals have a right to be informed about how the school uses any personal data that we hold about them. We comply with this right by providing 'privacy notices' (sometimes called 'fair processing notices') to individuals where we are processing their personal data.

This privacy notice explains how we collect, store and use personal data about **pupils**.

We, the Diocese of Ely Multi Academy Trust, Grace Building, 8 High Street, Ely, CB7 4JY, are the 'data controller' for the purposes of data protection law.

Our data protection officer is Joanne Patterson (see 'Contact us' below).

The personal data we hold

We have been asked to hold some personal data about you by a parent or carer of a pupil at our school.

The personal information we hold is:

- Your contact details, including your address

Why we use this data

We use this data to:

- Contact yourself should the need arise regarding the pupil you are stored against

Our legal basis for using this data

We only collect and use personal data when the law allows us to. Most commonly, we process it where:

- Consent has been given by you for us to store your personal data to use as detailed above

Where you have provided us with consent to use your data, you may withdraw this consent at any time. If you wish to withdraw consent, please contact the school who will explain how you go about withdrawing consent and arrange for your personal data to be removed from all areas it is stored.

Collecting this information

There is no mandatory requirement for you to provide us with this information.

How we store this data

We will keep our information only for the period that the relevant pupil attends our school.

Data sharing

We do not share information about you with any third party without consent unless the law and our policies allow us to do so.

Where it is legally required, or necessary (and it complies with data protection law) we may share personal information about you with:

- Our local authority – to meet our legal obligations to share certain information with it, such as safeguarding concerns
- Police forces, courts, tribunals

Transferring data internationally

Where we transfer personal data to a country or territory outside the European Economic Area, we will do so in accordance with data protection law.

Your rights regarding personal data

Individuals have a right to make a '**subject access request**' to gain access to personal information that the school holds about them.

If you make a subject access request, and if we do hold information about you, we will:

- Give you a description of it
- Tell you why we are holding and processing it, and how long we will keep it for

- Explain where we got it from, if not from you
- Tell you who it has been, or will be, shared with
- Let you know whether any automated decision-making is being applied to the data, and any consequences of this
- Give you a copy of the information in an intelligible form

Individuals also have the right for their personal information to be transmitted electronically to another organisation in certain circumstances.

If you would like to make a request, please contact our data protection officer.

Other rights

Under data protection law, individuals have certain rights regarding how their personal data is used and kept safe, including the right to:

- Object to the use of personal data if it would cause, or is causing, damage or distress
- Prevent it being used to send direct marketing
- Object to decisions being taken by automated means (by a computer or machine, rather than by a person)
