14th May 2021

Some lovely news for you all this week. I am delighted to let you know that Miss Williams safely had her baby last week. She is a healthy bundle of joy called Clara and Miss Williams and her partner are over the moon of course! We send them lots of love from #teamstpeters

Gardening in Year 4

The year 4 children have been busy sorting out the vegetable beds in the school garden. It is really wonderful seeing them out there enjoying

nature. They are now ready to plant so if any of you would like to donate any vegetable, fruit or

herb plants for the children to grow, they would be very grateful. Just leave them at the front office for the attention of Year 4 and the staff will collect them.

Safety

It seems that some of the younger Clarkson siblings are playing in our staff car park after they have been collected and parents are waiting for older siblings. This is definitely not ok. We have cars and taxis in and out and we do not want any sort of accident. You must keep younger children with you whilst you wait please.

Break In

Unfortunately we have had yet another attempted break in at the school. CCTV images showed that our new anti-theft paint prevented the workshop break-in but the burglar still entered school grounds and stole two parasols which were put out to keep the children in the shade on sunny days. The police have been

informed of course.

Pillar of the week: Positivity

Coronavirus: What you need to do

If you have a confirmed positive for Covid19 within your family at the weekend, please email covid@stpetersjuniors.co.uk - This email is purely for this purpose not for other information or questions. Thanks

Diary Dates

Date	Time	Event
