IT'S CHRISTMAS!

To all the wonderful children, families and staff of #teamstpeters,

I am devastated to have missed these last three weeks of term, but hope to be back to full strength for January 2021.

It has been a hard term for everyone, and as always #teamstpeters has persevered with passion and positivity proving that we are indeed present even when we are in isolation! Well done to you all, and huge thanks to everyone for working so hard to keep school going during such a tricky time.

I wish you all a very Merry Christmas, a restful holiday and a very Happy New Year. May 2021 be an easier year for everyone.

With love, Miss H x

Reporting COVID and keeping in touch over the Christmas break: School might be shut, but we will be checking the COVID email throughout the break. If anybody within our school community is affected by a confirmed positive result, email .

covid@stpetersjuniors.co.uk - This email is purely for this purpose not for other information or questions.

From Saturday 19/12/20 to Wednesday 23/12/20 please get in touch immediately, if a child tests positive for Covid-19 , as it may still effect the rest of the bubble. This all depends on when the symptoms began, and when the confirmed test result was given. From Thursday 24/1 onwards the email will be checked less regularly, but advice for NHS Test and Trace will still be given, so don't hesitate to tell us what is going on. We can then plan for a safe opening in January.

SAD GOODBYES and WARM WELCOMES

As you may have seen in assembly, today we bid farewell to Miss Barnsley, who for many years has given her all to St Peters. I know the children and families will join with us to wish her well on the next part of her journey. Good Luck and THANK YOU Miss Barnsley, you will be missed!

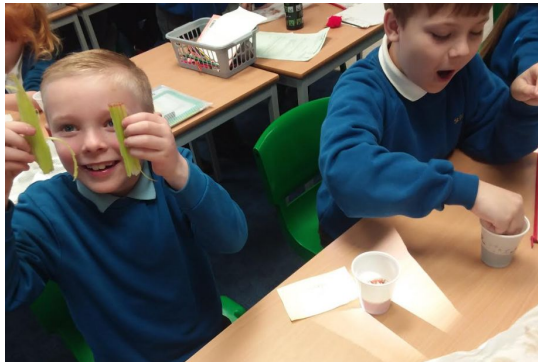

A warm welcome goes to Mrs Buffery, who will join us from January and will teach in Year 3. You are all going to love her and look forward to January 5th when the children will see her in the flesh.

ROMANS VS BOUDICCA

45 AD

Romans vs Boudicca by: Alexander

Last night, Queen Boudicca and her tribe were defeated by the Romans.

Boudicca went to battle against the Romans because they had whipped her and her daughters took all of their wealth and left it to her by her husband. This treatment led to her gathering her army together to right the wrongs done to them.

Romans vs Boudicca by: alexander

First Boudicca went to Lindum and the Roman army got thrashed there by Boudicca. Cerialis fled so he wouldn't be killed by Boudicca.

Next Boudicca travelled to Camulodunum and burnt down every bit of Camulodunum. Then they left Camulodunum and then went to Londinium and burnt it down to dust.

Dangerous Romans Defeat

Boudicca v Romans

LX AD

Boudicca defeated by: Maggie Twycross

Yesterday Boudicca with her Iceni tribe lost the battle against the Romans. Boudicca went to war with the Romans because they whipped her and her daughters and also mugged her. That made Boudicca very angry and that is what made her want to go to battle with the Romans.

First Boudicca went to Lindum on her horse and killed everyone there except the leader. Then she went to Londinium and killed everyone there too. Also she took a very long journey to Mona too, she killed everyone there too. She went back to Iceni to have the battle.

Boudicca queen of Iceni

It wasn't just Boudicca that was battling the Romans it was her and the Iceni tribe fighting the Roman Army too. The fight was amazing but very tough. Boudicca ended up losing.

"That was a very good battle from Boudicca!" Said Margreta. "I know, but sadly she lost." "Cried Amira. "Yeah.. Thats sad." Said Margreta.

Boudicca was very sad after she had lost so in 61 AD/LX AD, she killed herself which was very sad to everyone especially her fans.
