AR Reading

At St. Peter's we use Accelerated Reader to track our reading and select books from the library. This is an online platform that gives your child a reading score and a range of well-matched reading books to pick from. All children have a chance to go to the library weekly, they change books when required. The word count is added up after each book and the individual child and class will have the opportunity to become **AR millionaires** and will be celebrated with certificates in assembly.

Please read as much as you can at home and record any reading in the reading record!

Dates Coming Up:

29th Sept	MacMillian coffee morning. Mrs Brown (Deputy Headteacher) will also be hosting a workshop on 'How to help with learning at home.' Hope to see you all there!
