28th May 2021

I am sure like me, all the staff and children are feeling very tired at this point in the term. I wish you all a very safe and happy half term holiday. I hope you all take the opportunity to have some time to relax and recuperate ready for the last half term of the year.

Bubble poppers

These fun items seem to be the new trend. We are only allowing children to have them in school if they have them as a need identified by the SENCo after discussions with the class teacher.

Otherwise your child should not be bringing them or any other fidget cube type toy to school. The issue is mostly around them getting lost/stolen. We do not encourage toys in school, please make sure your child isn't bringing them in unless they have permission. Thanks
