

St. Peter's C of E Junior School

NEWSLETTER

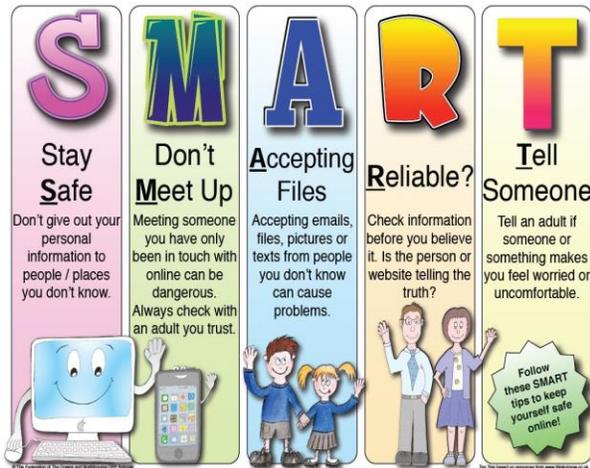

7th May 2021

I hope you all enjoyed your bank holiday, despite the weather, it was definitely a duvet and Disney day! It does seem a world away from the sunny days we had last May, so I hope things 'brighten' up soon so we can carry on with lots of lovely outdoor learning.

We are hoping to start doing some small after school clubs from next week, within bubbles. They will mostly be booster type clubs and I hope if your child is asked to stay you will encourage it as we are really focusing hard on trying to support any gaps we have discovered through our assessments last term. A newspaper club in Y5, some Maths clubs in Y3 and 4. Your child's teacher will be letting classes know what is available.

E-safety

We have had some reports of strangers joining online games who the children cannot identify. This is rather concerning for many reasons. It is really important to check your children's online presence and challenge anyone you see in their 'groups' that you don't recognise. This is precisely how grooming happens, and we know there has been grooming of children in Wisbech by people from a distance away. Please be vigilant and if you want any more advice just get in touch.

Pillar of the week: Passion

If you have a confirmed positive for Covid19 within your family at the weekend, please email covid@stpetersjuniors.co.uk - This email is purely for this purpose not for other information or questions. Thanks
