

St. Peter's C of E Junior School NEWSLETTER

19th March 2021

Our staff are the heart of #teamstpeters - they care deeply about the children.

We are always learning too and making sure we are up to date with changes, being trained in new areas, and improving our practice. I am going to try to share bits of our learning with you as we do it, so you too can find out more about what we are learning.

Yesterday 15 members of staff undertook epilepsy training. We will be sharing some information with children so they know what to do if they see seizures at any point in their lives. There is lots of information for parents here too:

Friday 26th is known as Purple day internationally - so feel free to pop something purple on that day to show your support. It is the first day of the holidays so we will do it in our staff inset training.

Many of you will be aware that we have two of our loved members of staff fighting breast cancer at the moment. A few of us plan to do a Race for Life run later this year, either in Cambridge or King's Lynn. If you would like to support us with a donation, here is the link:

We are walking right beside our ladies.

Talent Show winners!!

Saniya, Ollie Z and Gabriela M

Risk assessment:

The school risk assessment is on the school website.

The most important rules remain: **2m social distancing, wash hands thoroughly, wear a face covering - including around the gate area when dropping children off.**

Pillar of the week: Passion

Please stay at home and follow the rules to help us beat this horrible virus.

If you have a confirmed positive for Covid19 within your family at the weekend, please email covid@stpetersjuniors.co.uk - This email is purely for this purpose not

for other information or questions.

Thanks

Swan: Robert

Well done to our Star winners and all the other children who received awards for Maths, Reading and Writing too.
