Dear Parent/Carer,

We have a new convenient way for you to access, review and request changes to the data held on you and your children direct from your phone.

As from today, you will be able to access our new parent app and website at your own convenience via smartphone, table or PC – anytime, anywhere.

What you will find in SIMS Parent:-

- Access to update your contact details, so we will always have the most up-to-date information in case of emergency.
- If you have more than one child at school, you will have access to this information for all your children from the same app.

Getting started with SIMS Parent

1. We will be sending you an activation e-mail to the e-mail address you have already provided us with. Simply click on the link to activate your account. If your e-mail address has changed recently, please let the school office know as soon as possible.
2. You can then login using your normal Facebook, Twitter, Google or Microsoft username and password.
3. From your smartphone or tablet, download the app from the Google Play or Apple App store – search for SIMS Parent.
4. From a PC or Windows phone, login online at www.sims-parent.co.uk

Please note that your activation email is unique to you and should not be used by anyone else. If you require an additional login then please contact the school office. Your activation email will expire after 14 days if it is not used – please contact the school office if you require a replacement after this date.

Yours sincerely,

(Sarah Jarman)
Headteacher
