

Dear Parents and Carers

Christmas Raffle 2020

As many of you know, we are unable to hold our much-loved Christmas Fair this year, and as a result, fundraising has been really impacted. We would usually raise between £3k-£4k from one Christmas Fair, so not being able to hold the fair this year will be a big loss.

However, as you know, we are really pleased that we are still able to hold our raffle as a virtual event on Friday 11th December, and thanks to all of you for your really wonderful and very generous donations of food, drinks and hamper gifts, we have some really fantastic prizes. In addition to your donations, we have been fortunate to have been supported by some local businesses who have given us some very generous prizes too.

Today, alongside this letter, the children have all been sent home with 4 books of raffle tickets, priced at £1.50 a book. We would be so grateful if you could distribute these amongst family, friends and neighbours, and return the sold stubs with the correct change (complete with name and contact telephone number on the stubs!) to reception. We also ask that any unsold raffle ticket books are returned to reception so that we can sell these to others. Please return all sold and unsold raffle tickets by 7th December.

If each family were to sell 4 books of tickets, we would make nearly £1000! This will be going towards new, much-needed laptops for every classroom, and would make a huge difference to all the children's learning.

Please keep an eye on the Friends of Lavant Primary School's Facebook page and your email for photos and details on prizes to be won, it promises to be a really fantastic raffle and definitely worth buying raffle tickets for!

Thank you for your ongoing support!
Best wishes

Friends of Lavant Primary School
