

Survey of Demand for Childcare

CC's Out of School Ltd is investigating the feasibility of providing 'wrap-around' care for children at Lavant CE Primary School. As part of our consultation process, we would like to survey families at the school to identify what need there is for childcare before and after school.

Please complete this questionnaire and return it to the school reception office by Thursday 1st April. If you have more than one child at the school, please complete only one form.
