Friday 12th March 2021

Dear parents and carers,

It was wonderful to welcome back to school all of our children on Monday, and hear the classrooms and playground full of learning, fun and laughter. It has been a great week and all of our children have adapted fabulously well to being back in class with their peers again.

Please find below a few notices for the coming weeks:

Comic Relief / Non-Uniform Day

Next Friday, 19th March, is Comic Relief and excitingly, Arlo, one of our Year R pupils who has been supported by the charity, is likely to appear on the BBC programme between 7pm and 10pm on Friday evening. To show our support for Arlo and this fabulous charity, we will be running a **non-school uniform day for all children on the 19th**, and would ask that children bring to school a donation of around £1 on the day to give to Comic Relief.

Parents' Evening

Our pupil progress consultations have been rescheduled for the final week of term (Tuesday 30th and Wednesday 31st March), so that both children and teachers have a little time to work together in class again before the meetings occur. Due to social distancing requirements, we will be running the sessions via zoom. Further details regarding timings and zoom links, etc, will be sent out in the near future.

Water Bottles

As always, all children need to have their school water bottle in class every day to drink from, and these need to be taken home on Fridays to be cleaned ahead of the new school week. If children have lost or damaged their bottles, replacements can be purchased at the office for £2 (or 50p for replacement lids).

Turning Circle

Could I please remind all parents that, whether cones are in place or not, **the turning circle is not accessible to vehicles at pick-up and drop-off times.** Due to the high number of pedestrians in the area, this is a very important safety consideration and no vehicles should be using the turning circle (or parking alongside the cones) at all during these periods of the day.

Other School Events

Spring term is normally filled with a range of school events, including church services, cake sales, duck races and many more. Unfortunately, due to lockdown restrictions, we are unable to run many of these key events this year. Rest assured, in school celebrations will continue to happen wherever possible, and we will begin our usual range of events and festivities as soon as we can.

As ever, if you have any questions or queries about these or any other areas of school life then do be sure to contact us at school and we will be happy to help.

Kindest regards,

Daniel Taylor
Deputy Head teacher
