

Dear Parents/Guardians,

Send friends and family personalised Christmas Cards!

This year, we are partnering with a company that produce beautiful, personalised Christmas cards with children's artwork on the front! In addition to the opportunity to purchase your children's cards, there will be poster calendars, mugs or gift labels with the same design. Every pack ordered will donate money to the school!

Next week we will be sending each child home with a form which, on the reverse, your child can draw a Christmas picture. If you wish to purchase your children's artwork on cards/mugs/gift labels, please complete the form and illustration during half term and return it to the school after half term, by **Tuesday 3rd November**. ***There will be a box at reception to put your form/illustration in.*** It's really important to keep the paper as flat and clean as possible to minimise creases which may then transfer through to the final image!

What Happens Next... ?

It's a very simple process! Once we have received the artwork sheets, you will receive an email and text message with your admin portal log in details. Click 'Visit Portal' and input your email address and the password provided. The online ordering portal will then stay open for 5 days where you will be able to order the items and pay online with no need to bring cash into the school! I'm afraid we can't accept late orders, so **Tuesday 3rd November** will be the last date to receive your children's artwork and completed form at the school!

If you have any questions, please come and find me, Polly Peart, on drop off/collection or send me a message through our Facebook group!

*****Have you joined our Facebook page?! You can find us by searching 'Friends of Lavant Primary School' on Facebook. Join the group and keep updated with all our fundraising events. We also welcome any event suggestions!*****

Thank you for your support as always!
