8th June 2021

Dear Parents and Carers,

We are really excited to announce that in Woodpecker Class we've managed to secure two fabulous learning opportunities for this half term. Both of these activities will be in school so no transport required!

On Monday 14th June, we will be welcoming Tuppennybarn into school to run a science enrichment day, looking at plants, how they grow and their life cycle. This visit is completely funded by a grant from the South Downs National Park.

Our second enrichment day is on Friday 25th June and is a Samba workshop, run by West Sussex Music Service. This workshop will run all day and the Music Service has very kindly agreed to let us borrow the instruments until the end of term, so we can practice and perform for you at the end of the academic year. As a school, we have been able to subsidise this workshop, however, we are asking you to make a £4.00 donation towards the cost.

I appreciate that you have been asked to contribute to a lot of enrichment activities recently but as always, do speak to Mr King or one of us in confidence if you are unable to contribute on this occasion.

Kind regards,

Rebecca Holden
