Task: Core skill
Write the date in your books.
11.01.2021

Core skill:
Complete the multiplication questions by drawing a number line in your books for each question.

1. $4 \times 59 =$
2. $3 \times 33 =$
3. $5 \times 36 =$
4. $9 \times 32 =$
5. $7 \times 21 =$
6. $6 \times 25 =$

$46 \times 3 = 138$

Write your answers in this box.

Type onto the document, it saves automatically, you can go back to the document anytime and carry on from where you left

The image shows a screenshot of a Google Docs document titled "Maths Monday". The document content includes the following text:

When completed click on 'turn in'

In Google docs, either click on the pen to edit onto a document if the teacher has already created it.

Or continue to type your answers onto the blank document you have created.

Two black arrows point from the text in the document to the "TURN IN" button and the "Share" button in the top right corner of the Google Docs interface. The "TURN IN" button is a grey button with a right-pointing arrow, and the "Share" button is a blue button with a person icon. The document's URL is visible in the browser's address bar: <https://docs.google.com/document/d/1Tnm9n7-J4St4oVhrtuuRbpuJOrByqM7beKxrnGpZl0E/edit>. The Windows taskbar at the bottom shows the time as 19:24 on 11/01/2021.

After 'turning in' your document, you still need to 'hand in' so teacher can mark it.

- First, watch the video.
- Then open the PowerPoint and complete your core skill.
- Next answer the depth task.
- Finally, complete the greater depth task.
