16th September 2020

Dear parents/carers,

We understand that you and your family are isolating. We would like to suggest ways that you can support your child's learning during this time.

We suggest that you aim to do some Maths and English every day and also read for x 20 minutes. Here are some ways that you can find activities and lessons to support your home learning.
<https://classroom.thenational.academy/> = you need to click on your child's Year group and choose the subject you want to study.

<https://www.twinkl.co.uk/home-learning-hub> = please find the subject that you want to focus in on

<https://www.hamilton-trust.org.uk/blog/learning-home-packs/> = again please scroll down to the subject and year group of your child.

We look forward to seeing you back in school soon.
