Dear Parents/Carers

School Uniform

Please find information about expectations around school uniform from September. We recognise that in the disruption of the last two school years with covid related school closures, that uniform has not been a high priority. Wearing uniform with or without the school logo helps children feel a sense of belonging within the school community and will be actively encouraged from September 2021. Please ensure your child has the correct uniform when coming to school including PE kit. This can be purchased via our website if you wish to have the school logo on the uniform or non-logo uniform can be purchased at a range of department stores and supermarkets.

*Nail varnish and make up are not allowed. Watches and ear studs are allowed, but no other jewellery, including charity bands, for health and safety reasons.

Physical Education (PE)

*For children in Foundation Stage, PE is not a statutory subject and children access opportunities for Physical Development throughout the day. Therefore, PE kit is not required until Y1.

*Children in KS1 can wear their PE kit to school on PE days. Children in KS2 will be expected to keep their kit in school and change for PE lessons.

*In recognition of health and safety guidance, earrings are not permitted to be worn in PE lessons so should be removed for the day or the lesson. Removal of earrings is best practice so we will not be accepting tape over earrings. The summer holiday is the best time to pierce ears so that healing time is not disrupted by taking them in and out for PE lessons.

T-shirt and Shorts

We hope to represent our school in more local sports competitions in the future; the previous colourful house t-shirts are being replaced by a Hemingford Grey School sports t-shirt, which can be worn for PE and to represent the school.

A school logo PE shirt is now available – alternatively a plain white or navy t-shirt. Shorts should be navy blue. No football shirts or kits. Please send your child's PE kit in a PE bag. These can be purchased as drawstring bags which fit nicely onto pegs. The Green School Shop can add your child's initials for an extra charge which helps your child identify their own bag from others.

PE jogging bottoms/ Sweat shirt/Hoodie

Foot wear

Trainers for outside which must be in addition to outdoor school shoes.

Please ensure your child has a warm coat, hat and gloves for cold weather. In the summer, please provide a sun hat.

Kind regards
