

Easter Egg Competition 30.03.2020

It's Easter Egg Competition time again. Decorate an 'egg' and post a photograph of it to your teachers on Tapestry (Nursery) Dojo (Reception and Y1) or Seesaw (Y2-Y6). We will share the pictures and decide on the winners at the end of this week. You might find a chocolate prize on your doorstep at the end of the week.

These are the rules:

1. You must use things you already have and can find in your house or garden (if you have one)
2. Your egg can be a potato, modelling clay, stone, pebble, or anything egg-shaped. Please don't waste food
3. You can have help from a grown up, but don't let them take over (they do this!)
4. Parents can make their own if they want and send photos of theirs to teachers
5. Take your time, you have nearly a week to complete this task.

All entries uploaded by Thursday 2nd April before 1200 midday and the judging will then begin.

Have an eggcellent time!
