Dear Parents

Although this feels like a long time ago, many thanks to everyone that supported the book fair before the holiday. The school benefitted from the sales and the money accrued has been spent on books that were chosen by some of our children.

The next big school event that we look forward to is the **Duck Race**. Thanks go to the organisers of what promises to be a great day, if the ducks that are on display in our entrance are any indicator! Please come along, between 11:45 and 3:00 to see many duck races.

After that, we have our annual **Sports day** on Tuesday 21st May, which you are all invited to from 1:10 onwards. This will be on the right hand side of the track on the field.

Please see the notice at the end of this newsletter about recycling crisp packets. A parent and local resident has joined in the Walkers scheme to recycle crisp packets. There is a box in the reception area at school and Winford Post Office for empty bags to be recycled.

Plea for toys!

If anyone is having a clear out and you have any top trumps, doll's house furniture, yoga balls, exercise trampette or yoga mats that are looking for a new home, please can you donate them to Mrs Gardner for her pastoral learning mentor role? Thank you very much.

Shoes

We have noticed that a number of children are arriving at school in trainers, rather than school shoes. These are acceptable for PE and playtime use, but we do not expect to see them in the classroom for lessons. Please can parents ensure that children come to school wearing the correct footwear.

PE Kits and Coats

As Sports Day approaches please can parents ensure their child has a PE kit in school every day. Also as the weather is very changeable currently please can children still bring a coat to school. Thank you.

Dinner money on ParentPay

Can parents please be reminded to clear any dinner money balances that are remaining on ParentPay. Thank you.

On Monday, 29th April, Open the Book told the story of Moses and the Hebrews and their forty years in the Wilderness, due to their lack of trust in God and their discontent. On Monday 13th, the story continues, when, at last, the Hebrews cross the River Jordan into The Promised Land.
