Dear Parents.

Welcome back to the final term of the year. Although it seems a long time ago now, I hope you all enjoyed sports day afternoon in that glorious weather! You will have noticed that we changed the format slightly to include more track time and extend the whole event, as the round-robin sports activities were all completed in the morning. If you have any feedback on the afternoon (positive or otherwise), we would welcome your comments to help make the 2019 sports day even better!

Please remember that the parents consultation meeting about Winford C of E Primary (and four other local primaries) joining the Lighthouse Schools Partnership is being held Tuesday 12th June at 7pm in the library at Chew Valley School. Please come along if you would like to know a little more or have comments to make.

Morning Snacks

It has come to our attention that some KS2 children are bringing unhealthy snacks to eat at playtime.

Please ensure that children only bring fruit to eat at playtimes. Thank you for your support with this.

Inkjets

We have recently sent off our printer recycling box from the entrance hall for recycling. This means that we have a new empty box sat there!

When you finish your printer cartridges (or indeed the company also take old mobile phones) please bring it in to the box, to save more items going to landfill!

Family Pick & Cook

Sat 16th June, 10am-12.30pm or 1.30pm-4pm. Earthwise and award winning chef Jo Ingleby join forces for another Family Pick & Cook day as part of this year's Bristol Food Connections Festival. They'll be picking crops fresh from the fields at The Community Farm (Chew Magna) and the kids will get hands on cooking up a seasonal vegetarian feast to share! Suitable for children aged 2+. Sibling discounts available. **For more info and tickets please visit:** getearthwise.co.uk
