Dear Parents.

We have got to the end of another term in school! I hope you found parent consultations useful and that you enjoyed the open classrooms and the dance performances. The children have all been preparing for their Easter service tomorrow at the church, so I hope you are able to attend that, too. If you are unable to come, we always welcome grandparents instead!

I would like to wish you all a good Easter break and say a big thank you to the parents who helped clear the pond last week...it now looks much better!

Last day of term 4

Last week we were visited by NSPCC Childline, who presented assemblies (different content for different age groups) and workshops for children. In order to say thank you to them, we are holding our end of term non-school uniform day for the NSPCC. Therefore please attend this Friday in your own clothes and please bring £1 to support this worthy cause. Many thanks.

Easter Service.

Our Easter service will be at Winford Church on Thursday at approx. 9:10. Please do come along to hear lots of singing and performance on the theme of Easter.
