Bow Community Primary School

Home School Agreement

We recognise that the education of your children is a venture between you, the parents, and us the staff at the school.

We each have our part to play.

We welcome your support, value your involvement and are pleased to see you in school.

At Bow Community Primary School we aim to provide all our pupils with a safe, supportive and challenging learning environment, one where each child is treated as an individual and the needs of all are considered.

We will encourage children to work hard, to behave appropriately and to take pride and pleasure in their own and others' achievements.

We look forward to working together on a basis of mutual respect to help our children become confident and enthusiastic learners.
