Dear Parents/Guardians

I would like to take the opportunity to introduce myself as the new School Council Executive. I am writing to you to inform you on a few exciting initiatives that are happening in Radnage Primary School driven by the School Council on behalf of all of the children here.

Firstly, we are proposing some changes for how we celebrate the winning team for house points each half term. Originally the winning team had the opportunity to come to school in mufti for the day. However, we thought maybe the children would want a bit more freedom in choosing what their reward is. So the School Council has created a 'wheel of choice' that holds lots of different activities such as: a baking session, a film, mufti day (classic) and much more. The winning house team will be able to either spin the wheel or choose something from the wheel as a celebration of their achievement.

Secondly, we would like to share an idea from one of the younger School Council members, that every pupil wear a badge to represent the house team that they are in saying the house name and in the house colour. The school will give each child their first badge, however, if the child loses their badge they will have to pay £1 to replace it.

Finally, the School Council have looked at various charity events that we wish to support as a school during the year. We hope to continue supporting the Tanzania charity recently visited by Mrs Ramm and sponsor a child per class. If you feel able to help us do this we ask for £5 per pupil for the year, which is payable to the office. In addition, we have created a table of events for the coming year, which we have attached. The next event is to bring in long life produce for One Can trust for Harvest this Friday. Then at Christmas we will be supporting Rotary Shoebox charity and filling boxes, which the school will provide, with gifts for children who otherwise would have nothing this Christmas.

These are only some of the amazing events happening in Radnage School. Thank you for taking the time to read our first newsletter. We look forward to your support and working with you. We will let you know how we get on.

Yours sincerely

Evan Greenway
