19th October 2018

A huge **THANK YOU** to all those parents and staff who helped to run the Movie Night yesterday. The children had a great time and thoroughly enjoyed themselves. The popcorn and hotdogs went down a treat!

Congratulations to **Benjamin Callum** and **Leiva Hollows Butwell** whose entries to the Wycombe District Council Remembrance Calendar for 2019 were winners and will feature in the calendar! All entries will be displayed in on the first floor of High Wycombe Library over the weekend of 27/28th October. On Sunday 28th, at 2.00 pm, there will be a chance for all winners to meet with Cllr Peart and a representative from the Royal British Legion. We are so proud that the children in Year 5/6 took part in this competition and that their creative skills have been rightly recognised in this way. We are collecting copies of photographs of family members who served in the Great War to be displayed on the corridor. Please send in copies of photographs (not precious originals), or scan and email to the office, or we will be happy to photocopy your originals for you in school. This is a great way for families to share history and perhaps speak to older members about their grandparents and great-grandparents. Please can pictures be sent in by **5th November**.

Quote of the week... He will provide

And my God will meet all your needs according to his glorious riches in Christ Jesus.

Philippians 4:19

Preparing for Winter - Year 1 & 2

Children in Year 1 & 2 have been working hard in Science this term exploring seasonal change. We have been looking at how animals adapt in winter and to help animals and birds in our locality children have been creating bird feeders, mammal houses, squirrel feeders and bug hotels. Have a look for the children's work around the school site. The children had a wonderful Forest School session on Thursday learning about taking risks and how to be safe around the camp fire. I think the hot chocolate was enjoyed too!

Year 5 and 6 have been learning about France this half-term in their French lessons. From directions to famous French people, the children have developed speaking skills whilst exploring culture in France. At the end of the unit of work everyone created a leaflet advertising the virtues of Paris. À Paris on peut explorer les beautés des arts. We have been learning about the landmarks in Paris and what there is to do in the city.

Nurture . Grow . Shine
