

St Newlyn East Learning Academy

Sports Premium

At St Newlyn East Learning Academy, we recognise the contribution of PE to the health and well-being of the children. We believe that an innovative, varied PE curriculum and extra-curricular opportunities have a positive influence on the concentration, attitude and academic achievement of all our children.

Our Primary School Sport's Funding will enable us to continue and extend our provision in a number of ways. These include offering greater sporting opportunities through the Newquay Sports Partnership and provide training to ensure our staff deliver high quality PE sessions and accurately assess and track children's progress.

Primary School's Sports Funding

What is the Sports Premium?

The Government is providing funding of £150 million per annum for the academic years 2013/14 and 2014/15 to provide new and substantial primary school sport funding. The funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and will see money going directly to primary school Principals/Headteachers to spend on improving the quality of sport and PE for all their children. Each school will receive £8,000 plus an extra £5 per pupil each year for the next two years. At St Newlyn East Learning Academy that will mean around £8590 a year. The money can only be spent on sport and PE provision in schools.

Purpose of the funding

Schools/Academies must spend the sport funding on improving the provision of PE and sport, but they have the freedom to choose how they do this.

Possible uses of the funding include:

- Hiring specialist PE teachers or qualified sports coaches to work alongside primary teachers when teaching PE
- New or additional Change4Life sport clubs
- Paying for professional development opportunities in PE/sport
- Providing cover to release primary teachers for professional development in PE/sport
- Running sport competitions, or increasing participation in the school games
- Buying quality assured professional development modules or material for PE/sport
- Providing places for pupils on after school sport clubs and residential visits

How will we be spending the PE & Sports Funding and who will benefit?

The Board of Directors of the Trenance Learning Academy Trust agree that the money for St Newlyn East Learning Academy must be used so that:

all children benefit regardless of sporting ability

Pupils who are more able in sport are given the chance to participate against others of a similar ability

staff have access to training opportunities and continued professional development.

Funding will be used to improve confidence amongst staff in the delivery of high quality PE lessons across the school. We feel that this is the most effective and efficient way for the funding to have a long lasting and positive effect on future learning and physical development of children within our school.

The following table shows how we intend to spend the sports funding during 2014-2015.

Objective - To raise the quality of teaching PE and sport in school, ensuring that standards remain consistently good at St Newlyn East Learning Academy; we will:
Hire qualified sports coaches to work alongside teachers when teaching PE and for staff CPD. We will continue to organise for specialist coaches to come into school. Our teachers will observe and participate in the sessions to develop their own skills so that they can then teach this area themselves, once the coach has completed their course of teaching. Not only will the children benefit from being taught by a specialist coach but our own staff will be developed through sharing good practice and assisting in the PE lessons.
Continue as Members of the Newquay Primary Sports Partnership In partnership with other local primary schools within our cluster, we are members of the Newquay Primary Sports Partnership. This enables us to access support and training opportunities provided by the Network. It also enables children to experience taster events (introducing them to a sport) and to compete against other children of a similar ability.
Provide places for pupils in after school sports clubs Our school will offer a range of after school clubs including: football, netball, dance, gymnastics, rounders, athletics, multi-skills and cricket.
Provide Swimming for Pupils: Living near the sea makes it essential that the children have a good level of water competence and safety. Pupils will be given the opportunity to develop water confidence and receive 6 weeks of swimming lessons. These lessons are subsidised by the funding.
We will also: Pay for transport to various events and purchase new equipment.
Success criteria: Greater confidence in planning and delivery of PE lessons All areas of the PE curriculum are consistently good. Increased after school clubs and participation in PE and Sport - links with specialist organisations and coaches Pupils have greater opportunities to participate in competitions Pupils who are more able in sport are given the chance to participate against others of a similar ability and potential Pupils will have high self-esteem and sense of pride for their teams.

Please see below the break-down of how the school used the Primary School's Sports Fund.

PE Grant Allocation & Expenditure Financial Year 2014/2015	
Total PE Grant Allocated	£8590.00
Cost Areas	Initial Budgeting
Swimming Instruction & transport to Waterworld	1860.00
Transport For Outdoor Activities	705.00
Newquay Primary Sports Partnership	2,000.00
PE equipment	150.00
Staff training	100.00
Two Teaching Assistants to run P.E. club	2033.00
After school sports teacher	1742.00
Total Budget Expenditure	8590.00

The following table shows the impact of the Sports Funding 2014/15.

<p>Objective - To raise the quality of teaching PE and sport in school, ensuring that standards remain consistently good at St Newlyn East Learning Academy; we have:</p>
<p>Hired qualified sports coaches to work alongside teachers when teaching PE and for staff CPD. Teachers have worked alongside qualified golf and cricket coaches. The children benefited from being taught by a specialist coach and our own staff have developed through sharing good practice and assisting in the PE lessons. This year our children have competed in cricket and golf tournaments and qualified for the first time to take part in the Cornish Games.</p>
<p>Continue as Members of the Newquay Primary Sports Partnership This has enabled us to access support and training opportunities provided by the Network. It has also enabled children to experience taster events (introducing them to a sport) and to compete against other children of a similar ability. Children have taken part in taster events for Rugby, surfing sessions for novices, American football and golf. They have competed in Cross Country races, Swimming galas, cricket, netball and football tournaments.</p>
<p>To increase the places for pupils in after school sports clubs Our school has increased the after school sports clubs available to children across both key stage one and two. This year we have run 9 sports clubs compared to 5 last year. After School sports clubs now include: football, netball, dance, gymnastics, rounders, athletics, multi-skills, Zumba, boys dance group and cricket. 68% of children now take part in After School Sports Clubs (86 out of 127 children)</p>
<p>Provide Swimming for all Pupils: Living near the sea makes it essential that the children have a good level of water competence and safety. Swimming lessons and coach hire has been subsidised so all pupils have swimming lessons for half a term from a qualified teacher. For Pupil Premium children, the whole cost is covered. Teachers complete a baseline assessment at the start of the sessions and an assessment at the end.</p>

Key stage 2 have entered swimming competitions and qualified for the swimming events in the Cornwall Games.

We have also:

Paid for transport to various events and purchased new equipment.

Success criteria:

Greater confidence in planning and delivery of PE lessons

All areas of the PE curriculum are consistently good.

Increased after school clubs and participation in PE and Sport - links with specialist organisations and coaches

Pupils have greater opportunities to participate in competitions

Pupils who are more able in sport are given the chance to participate against others of a similar ability and potential Pupils will have high self-esteem and sense of pride for their teams.
