Tuesday 13th April 2021

Dear Parents/Carers,

Welcome to the beginning of the summer term. I hope you all had a relaxing Easter break; I think we experienced all of the seasons across the two weeks so I do hope you managed to get outside and enjoy the warm sunshine when it came.

Covid Procedures

All of our Covid procedures from before Easter remain in place. Therefore, we will continue to operate in a bubble structure with no mixing of children across these bubbles. The staggered start and end to the school day will also remain in place for the foreseeable future. The school will initiate track, trace and isolate if we do have a positive case of Covid 19 so please be prepared for the possibility of your children being asked to isolate and a return to remote learning, although of course we do hope to avoid this.

Curriculum

The children returned fantastically well in the 3 weeks prior to Easter. They all seemed so happy to be back amongst their friends and it was so nice to see them reconnecting with their peers and feeling so comfortable and confident back in the school environment. At the beginning of the new term we do intend to return to our full curriculum so children can expect to be taught the full range of subjects across the week. Please look out for topic webs and knowledge organisers coming home next week outlining what your child will be learning this half term.

Parents Evening

We now feel it is an appropriate time to hold a parents evening so you as parents can find out how your child has settled back into school and is doing academically. This will remain a remote event via zoom as we continue to limit the number of adults in the school building. Parents evening is taking place on Monday 26th April and Tuesday 27th April between 1.30 and 2.30 and 3.30 and 5.00. Appointments will be 10 minutes long and will be made via MCAS. These will be available for booking shortly. Mrs Tunnell will let you know when these go live.

After School Clubs

We are able to offer limited after school clubs this half term where our bubbles can be maintained in an outdoor environment. Therefore, Mr Sellars, our sports coach, will be offering a sports club on a Thursday for reception and Year 1/2 until 4.15 and a similar session for Year 3/4 and Year 5/6 on a Friday. These will be booked via a google form which will be sent out via email shortly. We are not going to charge for these sessions

Breakfast and after school wrap around care is now back up and running and can be booked via Mrs Tunnell.

Yours sincerely
