3rd September 2015

Dear Parents/Carers

I am delighted to be writing to introduce myself as the new Headteacher of Little Thetford CE Primary School. I am extremely grateful for the fantastic job Mr Litten has done at the school over the past 7 years and am extremely excited to be taking on the role. I look forward to meeting many of you at forthcoming events and meetings during this term.

I realise that any new Headteacher is a big change for a school and its community and so I wanted to write to you as soon as possible to tell you a little bit about myself and my first thoughts about our lovely school and delightful children. Let me start by sharing that I am absolutely delighted to have started in post and consider it a privilege to have been appointed. Your children are already making me feel at home; very chatty with many smiling faces greeting me already on my visits last term. It is obvious to me from the all I know about Little Thetford that the school is part of a very special community that has at its heart a deeply caring ethos.

First of all to let you know a little of my background. Previously I have worked within the local cluster of schools at Sutton CE Primary School and was fortunate enough to work my way up from a newly qualified teacher to acting Headteacher within my time there. Having spent several happy years at Sutton I moved on to working at an inner city school in Cambridge which provided a completely different set of challenges and spent two thoroughly rewarding years at The Grove Primary School.

I was born in Ely and grew up living in Haddenham and attended Witchford Village College so am very much familiar with the area. Having spent some time away to attend university I returned back to the area to begin my teaching career. I am now happily married and within the last year have had by first child, a boy called Harry.

I am passionate about learning and believe in educating the whole child to include extra-curricular activities such as sports, arts and music. Children excel in different areas and I intend to continue providing children with opportunities for excelling in all these areas. I feel strongly that all children should enjoy learning, be actively engaged in learning and have high expectations of what they can achieve both at school and in the future.

I wholeheartedly believe that fundamental to the success of any school are good relationships between teachers, staff, children and parents look forward to forming these with all the stakeholders of the school. If you wish to meet and discuss any aspect of school life, I am always willing to meet so please come into school or call to find a mutually convenient time.

I look forward to meeting with you all and sharing the journey your child takes through the school.

Yours sincerely

Jonathan Wallace
Headteacher
Little Thetford CE Primary School
