
SINGING LESSONS

Dear Pupils and parents/guardians,

I am really excited to be offering singing lessons at Little Thetford School this academic year.

I have over 10 years teaching experience, both privately and in schools. My background is in classical and choral music, but I am happy teaching whatever style of music the pupils want to perform (classical, pop, musical theatre, choral).

Children will always learn better and practice more if they are learning music they actually enjoy! I work on the ABRSM graded exams for those who would like a more formal progression, but this is never compulsory, nor is there any pressure to take these exams. I also have many pupils who have lessons simply for the love of music!

Music has many proven educational and mental health benefits. Learning any musical instrument helps teach perseverance, discipline, improves literacy skills and concentration, confidence, and self-esteem, and singing, in particular, has been shown to have an incredibly positive impact on mental health too.

Individual lessons will be £15 for 30 mins or £10 for 20 mins and usually run 10-12 weeks per term depending on the length of the term. I usually operate a rolling timetable so that children do not miss the same academic lesson each week and minimise disruption to the classroom teaching.

If you would be interested in singing lessons, please complete the form below and return to the school office by Friday 17th September or contact me directly at sian.hornby@gmail.com. Please do get in touch directly if you have any questions.

I look forward to working at the school and meeting some of you in September!

Sian Hornby

I would like to register my child for individual singing lessons from September 2021.
