Dear Parents/Carers

We have a child joining our school in September who has a nut allergy. It has therefore become necessary to impose a blanket ban on food and drink items which contain nuts coming onto the school premises. Items which state: 'May contain nuts' presently offer a low risk and will be permitted. This action is required to safeguard the health and wellbeing of a child, and items which explicitly state nuts as an ingredient will be taken from your child and disposed of.

I thank you in anticipation of your support and understanding.

Yours sincerely
