Dear Parents/Carers

As a school we value our strong relationship with parents and see this as a real strength of our school in providing the best education possible for the children. While we are not expecting an imminent inspection, Ofsted provide an online tool for parents and carers to express their views about the school at any time of the year.

Inspectors will consider parents' views alongside other evidence when making a judgement about a school. It is also useful for us because it gives valuable information about what you think of the school and helps us to improve.

To complete the short questionnaire at <http://parentview.ofsted.gov.uk> you simply need an email address and a password to register. Once your login has been activated, it only takes a few minutes to choose answers to 12 short questions about the school, such as the quality of teaching, whether the level of homework given to your child is appropriate, and whether you would recommend the school to other parents. Both parents can complete the questionnaire separately so please do encourage this as this way we get more responses.

Please remember, you can give your opinion of your child's school through Parent View at any time during the school year. At the time of an inspection, you can refresh or resubmit your views and the facility will overwrite your previous response so that only one 'view' for each parent, per school, is held.

If you do not have a computer or an email address or if you would like help to use Parent View, please come into school and speak to Mrs Tunnell.

Thank you in advance for your support with this.

Yours sincerely

Jonny Wallace
