

## Little Thetford CE Primary School

COVID Outbreak Contingency Plan- September 2021

<p><b>Should my child self-isolate or miss school?</b></p> 	 <p><b>NO</b></p>	<ul style="list-style-type: none"> <li>• All children <b>MUST</b> attend school unless they are ill.</li> <li>• From 16<sup>th</sup> August 2021, children under 18 (or double vaccinated adults) do not need to self-isolate if a member of their household or a contact has COVID.</li> <li>• Instead, they will need to book a PCR test but can continue coming to school so long as they have no symptoms and the test result is negative.</li> </ul>
	 <p><b>YES</b></p>	<ul style="list-style-type: none"> <li>• If your child develops COVID symptoms at home, they should <u>stay at home</u> and should book a PCR test, <u>NOT</u> a Lateral Flow Test.</li> <li>• If your child develops COVID symptoms at school, they will be sent home and you should book them a PCR test.</li> <li>• <b>If your child tests positive for COVID, they will need to self-isolate. The rest of the household does not need to self-isolate if they are under 18 or fully vaccinated- but instead should book a PCR test.</b></li> </ul>

Community COVID Risk	Description	Action
<b>Low Community Transmission.</b>	<ul style="list-style-type: none"> <li>• There have been no cases of COVID within school for 10 school days.</li> <li>• Cases of COVID locally are low and/or stable.</li> <li>• Hospitalisations/Deaths due to COVID nationally are low.</li> </ul>	<p>NO COVID measures are necessary beyond:</p> <ul style="list-style-type: none"> <li>• Reminding children of good hand-hygiene.</li> <li>• Ensuring good ventilation encouraged in all rooms</li> <li>• Ensuring children/staff to stay at home if they have COVID symptoms (and to book a PCR test)</li> <li>• Staff will continue to test themselves using Lateral Flow Tests until the end of September when this will be reviewed.</li> </ul>
<b>High Community Transmission</b>	<ul style="list-style-type: none"> <li>• Cases locally are being successfully managed</li> <li>• Hospitalisations/deaths due to Covid are high but are being managed successfully by the NHS</li> </ul>	<ul style="list-style-type: none"> <li>• Whole school gatherings indoors are avoided</li> <li>• Whole school assemblies are replaced with 'online' assemblies.</li> <li>• Lunchtimes in classrooms</li> <li>• Face covering recommended at drop off and pick up</li> </ul>
<b>Rapidly Rising Community Transmission</b>	<ul style="list-style-type: none"> <li>• No current COVID cases have been recorded at school, but...                             <ul style="list-style-type: none"> <li>• Cases of COVID are rising rapidly in the community causing disruption to other local schools.</li> <li>• Cambridgeshire Public Health/Public Health England issue warnings of expected local/national infection wave.</li> </ul> </li> </ul>	<ul style="list-style-type: none"> <li>• Ventilation of classrooms increased &amp; hand-washing supervised.</li> <li>• Room capacities are reduced.</li> <li>• Face coverings worn when moving around school</li> <li>• Limiting all non-essential visitors to school.</li> </ul>

Number of Cases	Description	Actions
 <p>A single child tests positive</p>	<ul style="list-style-type: none"> <li>A single child tests positive for COVID in a class.</li> <li>There are fewer than 5 cases in the class.</li> <li>No other classes are affected.</li> </ul>	<ul style="list-style-type: none"> <li>The child self-isolates for 10 days. Remote learning will be provided if they are well enough to complete it.</li> <li>The parents of the child are contacted directly by NHS Track and Trace to establish likely contacts.</li> <li>Likely contacts will be contacted by NHS Track &amp; Trace and advised to book a PCR Test. The school will contact parents to advise this if close contacts are known.</li> <li>Children do not need to miss school or self-isolate whilst they wait for the result of the PCR test unless they have COVID symptoms.</li> </ul>
 <p>5 children or staff within a class test positive within 10 days of each other.</p>	<ul style="list-style-type: none"> <li>There have been 5 cases of COVID across a class within 10 days which could mean that COVID is spreading within that group of children.</li> </ul>	<ul style="list-style-type: none"> <li>As above for each positive case.</li> <li>The school will discuss the outbreak with Cambridgeshire and Peterborough Public Health and agree strengthening protective measures for 10 school days. These measures may include: <ul style="list-style-type: none"> <li>Re-introducing staff face masks for corridor and communal areas.</li> <li>Adapting, limiting or postponing indoor sporting events, trips, open days and performances.</li> <li>Reverting to video-link assemblies in classrooms.</li> <li>Reducing the amount of classes staff work across.</li> </ul> </li> </ul>
 <p>COVID cases continue to increase rapidly within a 10 day period.</p>	<ul style="list-style-type: none"> <li>Despite the measures indicated above, COVID cases within the school continue to rise within a 10 day period with multiple classes and staff affected, suggesting that COVID is spreading widely throughout the school.</li> </ul>	<ul style="list-style-type: none"> <li>Incident Management Team Meeting held between the school and Cambridgeshire and Peterborough Public Health to agree further measures, for a further 10 school days which may include: <ul style="list-style-type: none"> <li>Re-introducing class bubbles.</li> <li>Reverting to class-based lunches.</li> <li>Limiting all non-essential visitors to school.</li> <li>Postponing all non-essential events.</li> <li>Re-introducing remote learning for individual classes for 10 school days.</li> </ul> </li> </ul>

The school will inform parents of any changes to COVID measures should these be needed.
