

Dear Parents,

In light of the government's most recent advice we have made the decision to postpone our Mothers' Day Service and Lunch which were due to take place on Wednesday and Thursday this week.

With the current uncertainty around the Coronavirus, having an additional 50 adults in church or school isn't a risk worth taking at this time.

The current plan is to rearrange the lunch for the summer term when we hope things will have settled down. On this basis we won't action refunds at this time but please let us know if you would like a refund and Mrs Tunnell will action this on her return to work.

Children have been busy writing messages to their mums which were going to be displayed around church for the service on Wednesday. I will ensure that these messages are sent home with the children so they can share them with you.

We apologise for any inconvenience this decision has caused but I do hope you can understand that with the current circumstances and uncertainty we need to take every precaution to safeguard the children, staff and older generation in any way we can.

Unfortunately, the likelihood is other events will also be cancelled over the coming days and weeks and I will be in contact as soon as possible to let you know about this.

Kind regards,

Mr Wallace
