September Arrangemnts

Friday 16th July 2021

Dear Parents/Carers,

Looking ahead to September, there remains a lot of uncertainty about where we will be up to around the virus and also what procedures at school might need to remain in place for the new academic year.

I have therefore decided to add clarity to arrangements for returning to school in September and to avoid the need to potentially make changes over the summer break in that all current procedures will remain in place for the first 6 days of the Autumn term up to Friday 10th September.

This will mean that current school timings with staggered start and end times will remain in place as will our recommendation that adults wear face coverings at drop off and pick up.

With children moving into new year groups, these timings may change so I include these below so you can see how you are affected:

	Start time	End Time
Reception	Instructed separately – please see individual letters	
Year 1/2	9.05	2.55
Year 3/4	8.55	3.15
Year 5/6	8.45	3.05

As previously, if you have siblings in different year groups, please drop off at the earliest time and pick up at the latest time.

I will write to all parents in the week beginning 6th September to confirm arrangements which will be in place from Monday 13th September. By this time, we will be in a position to confirm things with more confidence as we can look forward to a new academic year with more information and certainty.

I very much appreciate the support and understanding we have had throughout the last 16 months and we are increasingly optimistic that we will be able to remove many of our protective procedures and processes from Monday 13th September.

Your sincerely,

Jonny Wallace
