

A very warm welcome to Nursery!

The children have settled very quickly in to the new academic year and are exploring the nursery environment with excitement and enthusiasm.

Nursery Team

Mrs Lake and Mrs Sibbet

Library Books and Weekly Diary

As parents, you play a very important part in helping your child to read. We hope you will continue to encourage your child to develop a love of books and regularly read to them. Currently, we are unable to send a weekly library book home due to Covid-19. Please look on the school website for our weekly diary informing you of all the exciting things the children have been learning about each week.

Curriculum

The curriculum map will soon be available on the school website, outlining the Nursery curriculum.

Packed Lunches

When your child brings their packed lunch from home please ensure that it is in a disposable bag as nothing that comes to school can be returned, this includes spoons that may be sent in for yogurts.

Water bottles

It is important that your child stays hydrated during the day. Please send your child to school with a named water bottle. It must only be filled with water.

Naming Clothes and Spare Clothes

Please ensure that the children have their jumpers and coats named and if you would like to send in some spare clothes in case of accidents these can be left in a named bag on your child's peg in the cloakroom

We would like to take this opportunity to thank you for your support. If there is anything else you would like to know, please don't hesitate to ask.

Thank you,

Mrs Lake
