

Nursery Diary. Week ending 25.9.2020

We have all had a great start to the new term and it has been lovely to finally meet all the children properly, they have been fantastic and settled really well.

- The children have been making new friends on their visits and enjoying all the activities on offer. They have explored the outdoor area.
- These last few weeks we have been getting to know your children and have been carrying out some initial assessments
- Our topic for this term is 'Marvellous Me, and we will be learning all about each other, our families and what we all like to do. We will be talking about our feelings and what makes us happy.
- We have made a caterpillar and butterfly symbol with paint and collage for our birthday wall.
- Next week the children will meet all their friends in the Rainbow or Sunshine group and staying for a longer time at nursery.
- The children are staying for lunch next week, they will be having packed lunches until further notice as is the rest of the school. Please ensure that it is a healthy lunch and does not contain fizzy drinks, sweets or any nut products. All packed lunches coming from home must be in a labelled bag that can be disposed of after lunchtime, this means no packed lunch boxes or bags as we can not return them.
- Could I just remind everyone that **only one adult** comes on the school premises to drop off and collect your child. We are going to encourage the children to hang up their own coat with the support of nursery staff to allow an easy flow at dropping off time. Your support with this is greatly appreciated.

Have a great weekend!
