

Nursery Diary. Week ending 16.10.2020

The children have settled well and are learning all the nursery routines.

- This week in RE we have been talking about how important it is to have a name. We have been using our name station to add our special name to our paintings and work.
- We have been learning to say our morning and evening prayer and make the sign of the cross.
- We have talked about who we are and our favourite activities.
- In maths we have been enjoying counting rhymes adding 1 more on or taking 1 away
- We have made shape people using circles, squares, triangles and rectangles.
- We are all trying hard to put on our own coats to play outside and if you could practise this skill at home that would be helpful.
- Remember hot meals are on offer for lunch next week and Mrs Lake is looking forward to our telephone conversations on Monday.

Have a great weekend!

Mrs Lake and Mrs Sibbet
