Dear Parents/Carers,

Foxcubs Autumn Term Newsletter

A warm welcome to our new reception children and their parents and families and welcome back to the year 1's. All the children are settling in really well to our class and getting to know each other. They are making new friends and learning new routines quickly.

I am lucky to be supported by our teaching assistants Mrs Butler on a Monday and Tuesday and Mrs Sweetland on Wednesday, Thursday and Friday. Mr Meads will cover Foxcubs on a Thursday morning and will be teaching Science. We also have Mrs King working mornings in Foxcubs class.

Our topic this half term is All About Me and I have sent a topic web home so you can see what we will be learning about.

If you are able to send a baby photo of your child in to school, we will make a "Guess Who" display and we can discuss how we have changed since we were a baby.

Please could children have a PE kit in school. We will be changing for PE on a Friday afternoon. Thank you.

Can you please send a snack to school for morning break? We provide fruit in the afternoon, but children eat their own snacks in the morning. Some children like to bring a snack for the afternoon too, which is fine. Just a reminder, we are a healthy school, so a snack should be fruit or a plain biscuit please.

There is lots of usual information about how to support your child at home in phonics, reading and maths on the Foxcubs class page on our school website.

If you have any questions please do not hesitate to ask me, Mrs Butler or Mrs Sweetland.

Best wishes,

Anna Fay
Foxcubs Class Teacher
