Dear Parents and Carers,

The Friends Committee would like to take this opportunity to thank you for your support at our first Christmas Market, which we feel was very successful.

As many of you will be aware, there were some teething problems, especially with the unpredictable British weather but also the gazebos that got blown over by a gust of wind meant we had to move inside the school. With some great team work and lots of smiles and positivity, it went off without a hitch and we have received some very positive feedback. Looking ahead to next year we hope to continue with a Christmas Market theme but keeping it indoors and possibly using some of the classroom areas.

Our final total from this event is a £658.30, this is a great amount and worthy of all the hard work the committee put into hosting it. On this note, the committee would like to thank all the parents and family members who helped on the day, whether running a stall, setting up or clearing up, it can't be done without these extra pair of hands.

We also would like to thank Hales of Drybrook for supplying lighting, Shane Grindle and the Belfry for cooking the meat for the hot roll stall and providing the equipment for us to do this, Nick Williams at N & J meats at the Eski Market for providing such good quality meat for our new hot rolls stall, Marie Williams for cooking the vegetarian Nut Roast, Sally Smith for donating the teas and coffees, the stall holders for donating prizes for the raffle.

Raffle Winners were:
