Dear Parents of Children in Years 4-6

In collaboration with Gloucestershire Clinical Commissioning Group (GHLL) and researchers at the University of Oxford, we have signed up to take part in the 'Online Pupil Survey – Lockdown Edition', which aims to monitor the wellbeing of school pupils during lockdown to assess the impact of Covid-19 on mental wellbeing and learning.

Please read through the information letter for parents, there is more information about the survey on the research team's web page, including frequently asked questions:

<https://www.psych.ox.ac.uk/research/schoolmentalhealth>

You might also find it useful to watch the 3 minute video about the survey which has been recorded for your children to watch before they are invited to take part in the survey:

All children in years 4 – 6 will be invited to take part in the survey, unless you contact us to let us know that you are not happy for your child to be involved. Please notify the school, via email, by Friday 19<sup>th</sup> June 2020 if you do not want your child to take part in the survey.

Yours sincerely

Hayley McGoldrick
