Parents of Chestnut Class

Dear Parents,

Your child may discuss with you an incident that occurred during Chestnut Class PE lesson today.

A piece of large apparatus came away from the wall and landed on the floor along with the wall fixings. As you can imagine all the children and staff are shocked and concerned that this has happened. All the PE equipment in the hall received its annual inspection last week and was judged to be safe to use. We will be taking this up with the local authority.

We have discussed the incident with our Health and Safety Team at Gloucestershire County Council and are following the set procedures for dealing with this incident.

Should you have any concerns regarding this please do not hesitate to contact us.

Yours sincerely,

Hayley McGoldrick
Head Teacher

Head teacher: Mrs Hayley McGoldrick
