Pupil Premium Report 2018 – 2019

The aim of the government's Pupil Premium is to raise the attainment among disadvantaged children. It aims to provide additional funding for disadvantaged pupils to ensure they benefit from the same educational opportunities as pupils from wealthier families.

We ensure that teaching and learning opportunities meet the needs of all pupils.

We ensure that appropriate provision is made for pupils who belong to vulnerable groups. This includes ensuring that the needs of socially disadvantaged pupils are adequately assessed and addressed.

In making provision for socially disadvantaged pupils, we recognise that not all pupils who receive free school meals will be socially disadvantaged.

We also recognise that not all pupils who are socially disadvantaged are registered or qualify for free school meals. We reserve the right to allocate the Pupil Premium funding to support any pupil or groups of pupils the school has legitimately identified as being socially disadvantaged.

Pupil premium funding will be allocated following analysis, which will identify priority classes, groups or individuals. Limited funding and resources means that not all children receiving free school meals will be in receipt of pupil premium interventions at one time.

All our work through the pupil premium funding will be aimed at accelerating progress, moving children to at least age related expectations. Initially this will be in Literacy and Numeracy.

<p>Key Priority To close the disadvantage gap by addressing inequalities and raising the attainment and progress made by all pupil premium pupils including those eligible for Free School Meals (FSM), Service Children and Children in Care (CIC)</p> <p>PP Leader Julie Blackburn</p> <p>Evaluated by Headteacher / Governors</p>	<p>What do we expect to see? Specific intervention strategies to support every pupil from a disadvantaged background or service family background resulting in:</p> <ul style="list-style-type: none">• Improvement in attainment and progress• Improvement in literacy and mathematics combined levels of attainment and progress• Improved engagement and attitudes to learning• Improved attendance

Reflection of 2017/18 Initiatives

Initiative	Notes	Impact/Effectiveness of Strategies	Cost £
Lunchtime Supervisor. TA employed with PP children as a focus	5 hours per week.	PP children engaged in play and socially secure.	£24,920
Music therapy	Funding used to for Mike Hewitt.	Improve confidence and build up self-esteem. Develop anger management strategies.	
Drawing and talking	Funding used to for resources, training and to employ TA.	Improve mental health and wellbeing of pupils who participate. Improve confidence and build up self-esteem.	
Residential trip	A percentage of the cost of the trip covered by school.	Enable pupils to attend residential and benefit from all the experiences made available.	
Catch up maths – work with individual children across the school on a 1:1 basis.	HW, TF and TF attended a x3 morning course. Individual children then assessed and work one to one with an adult to complete the program. The assessment shows the gaps and the children's understanding and which areas to focus on.	Children's gaps in their understanding of number are addressed and children reach age related expectation.	
Financial Support to enable PP pupils to engage in wider school life.	Pre-school Breakfast club and after school learning/supervision, access extra curricular activities, breakfast & after school club Pupils have access to TA support to complete homework.	Improved punctuality and attendance Improved aspiration and engagement in learning	
Loss and change workshop delivered by Ed Psych and SENDCO over 8 weeks.	Sessions delivered to children who have experienced bereavement and parental separation.	Children feeling more emotionally secure and able to engage in 1:1 conversations about their experiences.	
Outdoor learning initiative	Funding used for training, resources and employing TA.	Improve health and wellbeing of all children.	
Teaching assistants used for small group work, 1 to 1 interventions	Funding used to employ high number of teaching assistants.	Improve attainment, progress and achievement.	
TIS practitioner 2 members of staff	Training was free. However implementation has a cost implication.	Huge impact on the emotional security of children.
