16th December 2020

Dear Parents

We have run Breakfast Club for the duration of the Autumn Term with numbers of children attending, sometimes as few as 1. This has meant that the provision has run at a significant loss. Following a recent survey of families currently using the provision regarding the need for an 8.00 am start and how this affects price, the following pricing structure will be in place from Tuesday 5th January 2021.

- 8.00 am start £3.50 per child per day
- 8.15 am start £2.50 per child per day

We will adjust staffing accordingly and review the situation at the February half term point.

Thanking you for your continued support.

Kind regards

Helen Ward
Headteacher
